

TOWN HALL ON MARRIAGE & FAMILY LIFE

with
Edward Herrera
Director of Marriage and Family Life
Archdiocese of Baltimore

40% of Americans believe that marriage is obsolete.

As parishes and an archdiocese it is essential that we evangelize dating, engaged, and married couples, helping them to live their vocations well. Join others in discussing how we can do this in new and creative ways.

ALL ARE INVITED TO PARTICIPATE:

Priests and Permanent Deacons

Pastoral Life Directors
Family Life Coordinators

Natural Family Planning Teachers

Sponsor Couples

Married couples and individuals interested in supporting marriage and family life at your parish
