The parish planning survey was administered by parishes and schools between October and December 2015 in support of the Be Missionary Disciples planning process. The survey was designed to complement Archbishop William E. Lori’s pastoral letter, *A Light Brightly Visible: Lighting the Path to Missionary Discipleship*, as a way to help understand how people would answer key questions laid out in the letter.

The survey was not designed to achieve a statistically random or complete sample of respondents, so it will yield only partial and somewhat biased results. In this light, the results are meant to be used in conjunction with parish statistics and demographics to provide a more complete picture of challenges and opportunities to missionary discipleship and evangelization-based planning. A copy of the survey can be found online at [www.BeMissionaryDisciples.org/planning/pastoral-planning-tools/](http://www.BeMissionaryDisciples.org/planning/pastoral-planning-tools/). For more information on the survey or the Be Missionary Disciples planning process, contact the Daphne Daly, Director of the Office of Pastoral Planning at 410-547-5545 or Daphne.Daly@archbalt.org.
